**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND
DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Stephen J. Moriarty, the Bankruptcy Court appointed Trustee (the "Trustee") has signed each set of the Schedules and Statements. Mr. Moriarty serves as the Trustee, or authorized signatory, for all of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Moriarty has necessarily relied upon the efforts, statements, advice, and representations of personnel of the Debtors and the Debtors' advisors. Mr. Moriarty and his advisors have not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning assets and amounts owed to creditors.

In preparing the Schedules, the Trustee relied upon the Debtor's financial data derived from their books and records that was available at the time of such preparation. Although the Trustee and Debtors have made every reasonable effort to ensure the accuracy and completeness of the Schedules, subsequent information or discovery may result in material changes to the Schedules. Also, the Debtors general ledgers and trial balances do not include all intercompany transactions as the Company reports and accounts for its transactions on a consolidated basis. Therefore the entity by entity balances may not reflect the correct or actual entity rights. The separate entity Schedules

may reflect assets and liabilities of other Related Debtors and noted reported on Related Debtors Schedules. As such, inadvertent errors between entities or other omissions may exist.

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.

Case No.: 16-11231

Schedule A/B - Part 11 Line 71: Intercompany Accounts and Transactions

Per the Company, the "Intercompany Accounts" amounts reported in the Company's general ledger and trial balance does not include all intercompany transactions. The Company reports and accounts on a consolidated basis. Although the intercompany accounts net to zero on the Consolidated Trial Balance's, the amounts on each entity's trial balance may not reflect the actual intercompany transactions booked to the correct entity and may not include all intercompany transactions. Therefore the entity by entity balances may not reflect the correct or actual intercompany amounts due to/from.

Also, per the Company, the transactions are accounted for in a consolidated format and the financial statements, audits and tax returns are prepared from this information on a consolidated basis.

The Company will look into reconciling the intercompany accounts and the Schedules may be supplemented once reconciliation can be completed.
